HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president. The Society was incorporated in 1808.

Origin of Massachusetts Home Missionary Society

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

Origin of Massachusetts Conference

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. In 1966 the name was changed again to the Massachusetts Conference of the United Church of Christ. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of eleven persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and inter-denominational projects and programs.

Jeffrey Lewis conducted the Worship Celebration. During the Prelude, the combined choirs of the First Church of Christ, Longmeadow, and St. John's Congregational Church, Springfield, presented several anthems. Greetings were brought from the local committee by the Rev. Floyd Bryan, Moderator of Hampden Association. The Moderator announced the appointment of Mr. William Cook and Rev. Fred Anderson to the Credentials Committee. After a show of voting cards by those delegates present, the Moderator declared that a quorum was present.

The Moderator called the attention of the delegates to the Ground Rules, as printed in the 1974 Conference Yearbook and circulated prior to the Meeting. He reminded the Meeting that every motion and amendment must be in writing. It was moved and

VOTED: To accept the Ground Rules as circulated.

Mr. John Morton from the firm of Hale & Dorr was introduced as Parliamentarian for the day. The voting procedures were outlined. The following committees were appointed:

Tellers: Mr. Jacob Kohl, Chairperson, Dorothy Kohl, Mr. Roy Drake, Wilma Drake, Mr. John Hamilton, Elsie Hamilton, Mr. Kenneth Paine, Mr. Charles Henderson, Mr. Edwin Stewart, Rev. Nevin Kirk, Rev. Wilbur Sadlier, A. Kellog, Rev. Floyd Bryan.

Business Committee: Mr. Richard Harter, Chairperson, Rev. Fred Anderson, Mr. William Cook, Mrs. Jean Knibbs, Rev. David Ladre, and Rev. Robert P. Noble, Jr.

Mr. Richard Harter, Chairperson of the Business Committee, presented recommendations from the Committee for adjustments in the time table for the afternoon session in order to allow more time for questions and answers from the process groups, to vote on the Framingham Conference Center recommendation prior to the vote on the 1975 budget, and to allow time for statements of special concerns that had come to the Business Committee for presentation to the Meeting. It was moved and

VOTED: To amend the agenda so that the Framingham discussion may be open-ended until a decision is made.

Another amendment "That the motion to move the Executive Offices to Framingham be considered as part of the motion to sell all or part of the Framingham Conference Center" was withdrawn after the maker was assured that this concern could be dealt with legitimately under the agenda as proposed. Therefore, it was then moved and

VOTED: That the Order of Time and Events, as circulated and amended (by recommendation of the Business Committee and by vote) be adopted as the agenda for the Meeting.

The Rev. George Bach explained the purpose of the process groups.

It was moved and

VOTED: To approve the Minutes of the 175th Annual Meeting as printed and circulated.

The delegates were reminded to turn in their opinion sheets about adopting the 1976 budget at the 1975 Annual Meeting.

The Rev. Avery D. Post, Minister and President of the Conference, spoke briefly as an introduction to the presentation developed to prepare the delegates for the process groups and voting. The Rev. A. Karl Phillippi gave a slide presentation on "What the Conference is Doing." The Treasurer, Mr. Ralph F. Tuller, spoke about the current financial picture.

At this point, Mr. Harter noted that we were already behind schedule on the agenda and presented a recommendation from the Business Committee. It was moved and

VOTED: That we extend the presentations by 40 minutes from now and shorten the time for the process groups.

Mr. Alan McKersie, Chairperson of the Finance Committee, Board of Directors, showed charts giving comparison figures for 1973, 1974, and 1975 receipts and expenditures of the Conference.

Mr. Post introduced the Minister Emeritus of the Conference, the Rev. Albert J. Penner and Mrs. Penner. They came to the podium amid a standing ovation. Dr. Penner spoke briefly to the Meeting.

Mr. Harter asked that delegates submit motions and amendments to the Business Committee during the lunch hour in order that business might flow in an orderly fashion. The delegates then dispersed to process groups.

The Moderator reconvened the Meeting at 2:00 P. M. Mr. Bach reported for the process groups and asked questions which were answered by Mr. Post and Mr. Tirrell. Mr. Lewis led a brief worship period. Mr. Harter outlined the process by which several proposed motions and amendments re Framingham Conference Center might come before the Meeting.

A motion was made and seconded (specific wording follows) requesting the Board of Directors to review questions concerning Framingham, make a report, including recommendations, at the 176th Annual Meeting and granting authority for the Board to mortgage the Center property up to a limit of $275,000. An amendment asking the Board to seek a possible purchaser of part or all of the property and to make a tentative agreement with such buyer, pending approval of sale at the Annual Meeting, was added to the proposed motion.

A motion to lay the motion on the table was defeated. (244 yes, 349 no)

Paragraph I of the motion was amended to provide for the composition of the study committee and for circulating any recommendations and findings to the delegates prior to the Annual Meeting. An amendment "That the Meeting charges the Directors and Staff to attempt a 1 year pilot conferencing program, stretching existing physical resources, both at Framingham and elsewhere, and utilizing Staff and volunteer resources in the effort" was defeated. It was then

VOTED: I. That the Meeting requests the Board of Directors to appoint a committee, the number of members to be determined by the Board, but to include not less than three as members who signed the Framingham letter to member Churches dated 21 October 1974. The committee will prepare a report on findings and actions related to the following questions, along with recommendations, if any, pertaining to sale and encumberment of any part of the Framingham property. This report will be presented to the 176th Annual Meeting, May 2 - 4, 1975, and a copy of this report shall be mailed to all member Churches no later than the first Friday in April, 1975.

1. Is there a need for all, part, or none of the Framingham property and for what reasons?

2. If there is a need for all or part of the Framingham property, what specific steps are required and/or taken to fulfill these needs?

3. If it is indicated that there is no need for all or part of the Framingham property, what specific steps are proposed and/or taken and for what purposes?

4. To what extent should the Conference be involved in operating conferencing facilities and how important are such facilities in the programming of local churches?

5. What are the meeting place needs of the Conference structures and how can these best be met?

6. Should the general offices of the Conference be relocated and, if so, can the Framingham property or the unused spaces of churches provide possible locations?

7. What are the long-term options for dealing with the Framingham Development debt?

8. What are the long-term options for dealing with the lack of general fund working capital and thus the lack of available cash during low cash-flow periods in the year?

II. That in the interim the Meeting authorizes the Board of Directors to meet the Framingham Development debt and the interest charges thereon for a two year period by mortgaging the Framingham property up to a limit of $275,000;

and further:

That the Board of Directors of this Corporation be, and it hereby is, authorized to borrow funds secured by a mortgage on all or any part of the said Framingham Conference Center property, with any lender to have no responsibility or liability to see to the application of the proceeds of any such loan;

and further:

That the Board of Directors is hereby empowered to authorize the appropriate officers of this Corporation to execute any and all documents and to take any and all further action that may be necessary or appropriate in connection with any such loan.

III. That the Board of Directors is further authorized to seek a possible purchaser of part or all of the Framingham property. If a buyer is found, an agreement may be made for sale of such property upon the approval of the Massachusetts Conference of the United Church of Christ at its forthcoming Annual Meeting.

A motion "That the Moderator request that these assembled delegates be polled right now as to whether or not they wish the Framingham Center to be sold at any time in the foreseeable future" was defeated.

A motion to adopt the budget for 1975 as circulated, was made and seconded. An amendment "That the increment in Executive Salaries be reduced to 5% at budget level #1 and that an additional 1% be applied at level #2 and again at level #3" was defeated. It was then

VOTED: To adopt the budget for 1975, as circulated. (See copy at the end of these Minutes.)

Mr. Harter announced that 6 items had come to the Business Committee and would be presented at this time. The Rev. William Hobbs brought greetings from the Craigville Conference Center. A representative of the Church and Community Committee voiced concern that the aims of Project Equality be continued even though its office had to close due to lack of funds. Mr. Phillippi called attention to the special offering which will be received on December 1 for the Massachusetts Conference UCC. After presentation by Mr. Paul Best, Topsfield, it was moved and

VOTED: That the Massachusetts Conference, United Church of Christ, advise the President of the United States to make an immediate pledge of the nation's food assets to provide relief to suffering humanity. We urge this action either unilaterally or in concert with other governments. We urge that this action be accomplished in conjunction and in cooperation with the National Council of Churches, Church World Service, General Synod of the United Church of Christ and other appropriate agencies.

We further urge that pledges and commitments by the United States Government be made on the basis of human need and not on the basis of trade deficits or other economic indicators. We submit this recommendation in the name of Jesus Christ as an act of compassion and concern.

When one child dies of starvation in a world of potential and plenty, the bell tolls for each of us.

After presentation by Anne R. Taylor, West Roxbury, it was moved and

VOTED: To urge that the delegates receive a copy, or summary, or all reports pertinent to the Meeting.

Further, that delegates be responsible, and that it therefore be a part of their duties, to report to their respective congregations.

Lastly, that if at all possible, reports to delegates to be included in present mailings and distributed by the church to the delegates to keep costs down.

Another motion made by Mrs. Taylor requesting that OCWM contributions be made on a monthly basis was withdrawn after it was pointed out that this is already being done as a routine procedure through the office.

A delegate requested that the Program Committee plan not to conduct business at the Sunday session of the Annual Meeting since many delegates and clergy have responsibilities in their local Churches and are not able to be present at Conference on that day.

The Rev. Clyde Miller expressed his concern that the Meeting today had not lifted up the anguish of the people of Boston during the current school busing crisis.

Mr. William Cook, Chairperson of the Credentials Committee, presented its report:

It was then

VOTED: That the Framingham property be retained as a means of fulfilling the Conference's

mission by moving the general offices to the Framingham property and improving its usefulness for office and meeting space up to an investment of $125,000, which would increase the total indebtedness of the Conference to $320,000; and

That the Fellowship Dues be increased by $.15 to pay for the cost of amortizing the Development Debt of $195,000, while the cost of amortizing the additional investment in Framingham may be carried as an operating expense in the budget for that facility; and

It was moved and

VOTED: To adopt the Areas of Concern and Goals for 1976 and 1977:

To be faithful people of God, in 1976 and 1977 we intend to work in particular on:

UNDERSTANDING AND PROCLAIMING THE CHRISTIAN FAITH

There is a need among the people of the Church to clearly understand our Christian Faith; to study its fundamental assertions regarding persons, community, justice, love, the covenant relationship and how the Church may function as God's instrument in the world; to learn how to open ourselves to God's love and guidance and speak of the transforming power of God's love as known through Jesus Christ in our lives.

Goal 1: The promotion of a variety of experiences in which persons and congregations can reflect on God's purposes in their lives in order to understand and do His will.

Goal 2: Use by local churches of worship resources that offer worship styles to nurture the Faith.

Goal 3: The enablement of individuals for personal witnessing through the kind of speaking and doing that moves others into Faith.

DOING THE FAITH

As people of the Church, we are called not only to understand as clearly as we can what the faith is, we are called to do it.

A DEFINITE EFFORT SHOULD BE MADE BOTH LOCALLY AND IN THE CONFERENCE TO ACT ECUMENICALLY

Goal 1: Ministry to and by the elderly directed towards their loneliness and neglect and their need for adequate health care and housing.

Goal 2: The development of a ministry to and by youth with emphasis on their Christian understanding and responsibility to self, family, church and community.

Goal 3: Increased understanding among our churches regarding the causes and effects of world hunger resulting in an acceptance of Christian responsibility to live without waste and to share our substance.

Goal 4: Identification and understanding of racism in our educational systems in order to take positive, non-violent action to make quality education possible for all.

Goal 5: Identification and understanding of sexism in the church and in our lives and the development of appropriate action to change attitudes and behavior.

REVITALIZING THE LIFE AND MISSION OF LOCAL CHURCHES

Leadership---its recruitment, nurture and support---is basic to the healthy, ongoing life and mission of the Church. Improved communication between persons in the local congregation, between laity and clergy and between local churches and the Conference is essential to the fulfilling of our Mission.

Goal 1: Emphasis on person-to-person communication to nourish the partnership between the local church and the Conference.

Goal 2: Training for clergy and laity to develop skills in personal relationships, conflict management and in how to discover and involve untapped lay leadership.

Goal 3: Guidance for local churches and Ministers, including Christian Educators and Youth Workers, toward developing an open, supportive, fulfilling relationship between clergy and laity in the local church.

Goal 4: The creation of experiences in which persons, local congregations and Associations acquire skills in program planning, program implementation and program evaluation.

Goal 5: Training for local church leadership in stewardship and financial development.

KNOWING THE UNITED CHURCH OF CHRIST

There is a need among us to take time to study and state as clearly and concisely as possible:

1. The essential background and congregational structure and procedures of the United Church of Christ.

2. Underlying assumptions regarding the relationship between local church, Association, Conference and Synod.

3. The meaning of instrumentalities and what they do for us.

Goal 1: An understanding of the theology and polity of the UCC as expressed in the nature of our covenant together.

Goal 2: The education of persons, congregations and Associations in the meaning of our Mission and the ways in which Mission is done through the United Church of Christ.

It was moved and

VOTED: That the Fellowship Dues for 1976 be set at $2.15 per church member as reported for January 1, 1976.

It was moved and

VOTED: That the OCWM Basic Support Retention for 1976 be set at 20% with a total goal for National of $860,000 and for the Conference of $215,000, making a total OCWM Basic Support Goal of $1,075,000.

The Moderator expressed his appreciation of the delegates' patience and understanding during the Meeting. The Rev. Mineo Katagiri thanked the Conference for its vote to retain only 20% of OCWM Basic Support. This gift from Massachusetts is almost 10% of the National budget.

The Meeting recessed for a special interest and activity period and then reconvened at 11:00 A.M. to participate with the congregation of Old South Church in worship, with the Rev. James W. Crawford, pastor, preaching. Assisting in the service were Ms. Faith Ferre, the Rev. Walter Davis, Ms. Jana Handwerk and the Rev. Avery Post.

The Meeting was recessed for dinner.

The Moderator reconvened the Meeting at 2:00 P.M. At the initiative of the Board of Directors, it was moved and

VOTED: WHEREAS: We, the delegates of the 176th Annual Meeting of the Massachusetts Conference of the United Church of Christ, have been led by the spirit of Jesus Christ to make informed decisions of stewardship and have affirmed the missionary purposes of our Conference; and

WHEREAS: We have been resourced by the sacrificial and intensive work of the members of the Framingham Research Committee in gathering and compiling objective data in a clear and meaningful manner; and

WHEREAS: The Framingham Research Committee effectively used as the foundation of all its work, the mission imperative of the Massachusetts Conference by responding and communicating with a sense of urgency through word and action and power of the Holy Spirit to bring us to new life, and hope; and

WHEREAS: All Committee members travelled the second mile on our behalfand subordinated their own views in order to seek higher goals;

BE IT RESOLVED: That we, the delegates to the 176th Annual Meeting of the Massachusetts Conference of the United Church of Christ, express our deep and sincere thanks to the members of the Framingham Research Committee; and

BE IT FURTHER RESOLVED: That this resolution be spread upon the records of the Conference and that a copy be sent to each member.

The Moderator introduced the Professional Staff of the Conference.

It was moved and

VOTED: That the Conference engage a person to fill a staff position in Stewardship and Financial Development in coordination with the Stewardship Council of the United Church of Christ, under an agreement in which this staff person would be accountable for two-thirds of his/her time to the Massachusetts Conference, and for one-third of his/her time to the Stewardship Council as regional representative to Massachusetts, Maine, and New Hampshire. Under the terms of such an agreement one-half of the salary, housing, and benefits, plus expenses pertaining to the work as regional representative would be underwritten by the Stewardship Council. This position to be filled on or after January 1, 1976.

It was moved and

VOTED: To adopt the budget for 1976 in outline form as printed and circulated and amended to reflect the increase of Fellowship Dues to $2.15 per member. (The budget follows these minutes.)

A Letter of Information and Concern on Reductions of Welfare Benefits was circulated. Mr. Horace Besecker asked that we become informed in Massachusetts about the proposed budget cuts of Governor Dukakis and that we write to our legislators about what we think.

Mr. Harter reported that the Business Committee recommended that, after the Meeting acts on the two scheduled resolutions, that one on Southern Africa and one on Indo-China be brought to the floor. The Committee received several resolutions on the United Farm Workers and recommends that the Meeting not act on any of these at this time. (See vote taken at 1974 Annual Meeting, Hyannis, page 81 of 1974 Conference Yearbook.) A motion from the floor to amend the agenda to include discussion of the farm workers issue was lost. (no 189; yes 132)

The "Third World Meal" tickets raised $225 for CROP. A Resolution on Hunger Crisis was moved, amended by adding paragraph 2, and

VOTED: Recognizing the urgency of the hunger crisis that mankind faces today, and affirming our long-range commitment to alleviating the suffering of God's Children, we, the delegates to the 176th Annual Meeting of the Massachusetts Conference, resolve:

1. That we confirm the urgency of the world food crisis and request the Board of Directors of the Massachusetts Conference of the United Church of Christ to appoint a "Task Force on Hunger" to provide leadership and resourcing for the associations and local churches of the Massachusetts Conference.

2. That we direct the "Task Force on Hunger"

(1) to study the implications of the present allocation of resources and distribution of income and wealth within our society for the hunger crisis;

(2) to study the implications of the Gospel for the way in which God is calling us today to allocate our resources and to share our wealth, and

(3) to make appropriate recommendations to the next Annual Meeting of the Conference concerning the witness our churches may be called to make to our society by making significant changes in the way that we, as churches, allocate our resources and distribute our wealth.

3. That we refer for action to local churches and associations the U.C.C. proposed "Pronouncement and Proposals for Action on World Hunger." - with localizing additions.

4. That we urge our delegates to the 10th General Synod, Minneapolis, Minnesota, June 27-July 1, 1975, to act upon and send back to the local churches, "Pronouncement and Proposals for Action" from the President's Task Force on Hunger.

5. That we, as individuals, commit ourselves to a personal involvement in the World Food Crisis, that by example and by action we might link ourselves to suffering everywhere.

A proposed Resolution on Public Education was moved. An amendment to substitute for paragraph "3" a paragraph calling for mandatory busing of city school children to suburban schools as one way of integrating education was defeated. Another amendment seeking to add paragraph "5" calling for the development of low and moderate income open housing as a step toward overcoming de facto racial and class segregation lost. In the course of the discussion, it was moved and

VOTED: To limit debate to one minute per speaker.

A motion to table the main motion was defeated. An amendment was offered and voted to be added to paragraph "3". It was then

VOTED: WHEREAS the Massachusetts Conference of the United Church of Christ gathered during this bicentennial year in its Annual Meeting at historic Old South Church in Boston notes with concern the plight of public education in the Commonwealth, and recalls its early and recent history of support for both public and private education;

WHEREAS we as member of this church, in obedience to the universal sovreignty of Christ, recognize that our responsibility to society transcends district lines and town and city boundaries;

WHEREAS the federal district court has rendered a decision (Morgan vs. Hennigan) finding that Boston's school committee has intentionally segregated children on the basis of race, thereby violating their moral and constitutional rights and forcing the court to order a remedy---

namely, busing and other measures to achieve desegregation---to protect these rights;

WHEREAS legislation has been filed and debated requiring mandatory busing of city school children to suburban school districts;

WHEREAS the controversy surrounding the court-ordered desegregation has distracted public attention from the issue of quality education, which is being denied many children, especially in the urban and rural areas across the Commonwealth;

WHEREAS the more prosperous communities in the Commonwealth, with high property values, have the ability to raise large amounts of revenue for education while at the same time having relatively low tax rates, and the poorer communities with lower tax bases must tax their property owners heavily in order to obtain low or even average educational expenditures, thus creating vast disparities in the educational expenditures and, therefore, unequal educational opportunities for children in the Commonwealth;

Therefore, BE IT RESOLVED that

1. We reaffirm our commitment to the opportunity for quality education and integrated education for all children and youth so that each may begin to realize her/his full potential;

2. We reaffirm our support for the desegregation of schools in Boston and Springfield and commit our efforts to desegregate the schools in other communities throughout the Commonwealth, until finally an integrated society with equal access and full participation for all citizens is provided;

3. We oppose any legislation requiring mandatory busing of city school children to suburban school districts because such laws would accomplish two things: (a) provide Boston with an opportunity to circumvent its legal obligation to desegregate its schools, and (b) undermine positive experiments in metropolitan approaches to education:

We believe firmly that the schools of Boston must be desegregated, but the process has just begun when one school system is desegregated. The next step is to desegregate the school systems beyond Boston, until finally an integrated society, with equal access to and full participation in all social benefits, is realized;

4. We commit ourselves to working in the legislative process to create the necessary changes in the distribution of both state and federal aid to education, so that equity in funding may contribute to equality in educational opportunities for all children throughout the Commonwealth.

A Resolution on Southern Africa was moved, amended and

VOTED: WHEREAS WE, as citizens of the United States, reaffirm the hope of liberty and justice for all which has remained a vital part of our nation's heritage for two hundred years, and

WHEREAS WE as Christians reaffirm the love of God between all people, assert the right of each person to justice and realize that peace by repression is not the true peace of Jesus, and

WHEREAS WE, as the body of Christ, continue to deplore the dehumanizing effects of apartheid, realizing that "liberation of one particular group of people can be authentic only insofar as it includes freedom for the others" (Jargen Moltmann);

WHEREAS WE, as members of the United Church of Christ, reaffirm and celebrate the work and efforts already begun by our denomination, through its National Instrumentalities,

Conferences, Associations and local churches, in striving to support the growing movement toward freedom and dignity for people in Southern Africa; we acclaim those individuals and churches in Southern Africa who continue to actively work for true peace and dignity in the face of violent repression which affronts both the body and the spirit;

THEREFORE WE, the members of the Massachusetts Conference of the United Church of Christ

1) Recognize we have a responsibility to consider Christian commitment and witness when we invest funds, whether through our Conference, local church or as individuals, and therefore, we call upon those holding shares in corporations investing in Southern Africa to:

- press, through shareholder resolutions, for favorable reform against repressive and unjust labor conditions

- press for withdrawal by corporations not demonstrating reform

2) Call upon the member churches of our Conference to:

- support (through letters to the President of the Security Council and the Secretary General of the United Nations, Kurt Waldheim) the December 17, 1974 Security Council action calling for South Africa to relinquish its illegal administration of Namibia and transfer power to the Namibian people. (A deadline of May 30, 1975 has been set for review of that compliance.)

- support the United Nations Council for Namibia as it seeks to prevent exploitation of natural, animal and mineral resources in Namibia until it achieves independence from the illegal rule of South Africa.

3) Support congressional legislation which will deny tax credit to corporations operating in Namibia until the illegal occupation by South Africa ends and support legislation to repeal the Byrd Amendment.

4) Call upon the members of our churches to express their concern to the President of the United States and to the Secretary of Defense over recent political and military consultations between NATO powers and South Africa that could lead to the use of a South African facility in Simonstown as a NATO base.

5) Pledge our continued support for the newly-formed and about to be formed independent countries of Southern Africa and our willingness to respond when called upon for aid.

6) Urge financial support that is over and above already designated giving by conferences, member churches and individuals for organizations engaged in humanitarian efforts to bring relief to victims of apartheid including: The United Church Board for World Ministries, the World Council of Churches Fund to Combat Racism, International Defense and Aid Fund for Southern Africa, United Nations Trust Fund for South Africa, the Africa Fund, Christian Care.

WE CALL UPON the Minister and President of the Massachusetts Conference of the United Church of Christ to inform by letter the following of our action and to send copies of this resolution to:

President Gerald Ford
Secretary of State Henry Kissinger
Massachusetts Senators
Massachusetts Congressmen
U. S. Delegation to the United Nations

Mr. Sam Nujoma, President of SWAPO
The South African Council of Churches, Johannesburg, S. A.
The Christian Institute, Bramfontein, S. A.
The Prime Minister of the United Kingdom
The Prime Ministers of the British Commonwealth

A Resolution on facing up to the Past was moved and

VOTED: WHEREAS the President of the United Church of Christ has called us a People of God to face up to the past in a spirit of reconciliation and concord; and

WHEREAS the President of the United Church of Christ has called us to a sober reassessment of our role in the world as a nation burdened with power; and

WHEREAS the war in Vietnam and Cambodia has cost hundreds of thousands of lives on all sides, millions of refugees and orphans, thousands of wounded and disabled and has cost billions of dollars; and

WHEREAS the war in Vietnam and Cambodia has come to an end,

BE IT RESOLVED: That the Massachusetts Conference of the United Church of Christ, rejoicing in the end of the war, affirms the moral responsibility of our nation to the people of Indochina by calling on Congress for immediate economic and humanitarian aid through international aid organizations to meet the needs of the people of Vietnam and Cambodia.

BE IT FURTHER RESOLVED: That copies of this resolution be sent to the President of the United States, the Secretary of State and the members of the Massachusetts Congressional delegation.

A Resolution on Hospitality was moved and

VOTED: WHEREAS WE, the delegates to the 176th Annual Meeting of the Massachusetts Conference of the United Church of Christ, meeting in Boston, May 2 - 4, 1975, have received warm and gracious hospitality; and

WHEREAS this gathering has been made possible through extensive preparations by many people,

BE IT RESOLVED:

That we express our deep and sincere thanks to the Rev. Emil C. Beck, Secretary of the Conference, the Reverend Norman R. Farnum, Jr., Moderator, the Program Committee,

the pastoral staff and the general staff of the Old South Church, and to all groups and individuals who have provided leadership in worship, music and drama; and

BE IT FURTHER RESOLVED:

That this Resolution be spread upon the records of the Conference and a copy sent to all parties mentioned above.

Mr. Harter introduced Mr. Post, who affirmed with thanksgiving the 80 years of the Board of Pastoral Supply and the Executive Secretaries during these years of service to ministers and Churches. Mr. Post also expressed heartfelt appreciation to the Rev. Dexter Rice, Director of the Framingham Conference Center. The Meeting joined in a standing ovation, applause and acclamation of the ministry of Mr. Rice at Framingham.

Massachusetts Conference of the

We have examined the balance sheet of Massachusetts Conference of the United Church of Christ (a non-profit organization) as of December 31, 1974, and the related statements of General Fund support, revenue, and expenses and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of Massachusetts Conference of the United Church of Christ at December 31, 1974, and the results of operations and changes in fund balances for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year except for the changes, with which we concur, from the cash to the accrual method of accounting and to a policy of capitalizing purchased equipment and depreciating buildings and equipment as explained in note I.

NOTES TO FINANCIAL STATEMENTS

December 31, 1974

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Conference's significant accounting policies applied in the preparation of the accompanying financial statements follows:

Fixed Assets

Fixed assets purchased in the current year with unrestricted funds have been transferred to the Land, Building and Equipment Fund (note J).

Depreciation

Depreciation is provided in amounts sufficent to relate the cost of depreciable assets to operations over their estimated service lives by the straight-line method (note J).

Pension Plan

The Conference has elected to participate in The Retirement Fund for Lay Workers which is managed by the Pension Boards of the United Church of Christ. Full time employees, after three months service, may elect to contribute 3% of their gross annual salary during their first five years of membership. The Conference contributes 8% of the gross pay during that period. After five years of participation, the Conference absorbs the entire 11%; the employee then contributes on a voluntary basis. The entire contribution is vested after two years of employment.

NOTE B - SECURITIES

The approximate market values of securities at December 31, 1974 were as follows:

Current Funds	
Unrestricted	$ 65,000
Restricted	$ 54,000
Endowment Funds	$2,175,000

Massachusetts Conference of the United Church of Christ

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 1974

NOTE C - COMMITMENTS

The Conference conducts part of its operations, Craigville Conference Center, in facilities owned by the Christian Camp Meeting Association (CCMA). Annual rentals paid by the Conference aggregated $25,306 and, in certain cases, equaled the principal plus interest payments of CCMA on its mortgages which are held by the Conference. The leases expire at various times through November 1, 1980. Renewal options are available.

NOTE D - PRELIMINARY COST FOR PROPOSED CONFERENCE FACILITY

Architectual, engineering and consulting fees for the proposed expansion and renovation of the Framingham Conference Center have been paid out of unrestricted funds in anticipation of a final decision to proceed with this project.

NOTE E - REAL ESTATE

The Conference is a beneficiary under the terms of numerous trust agreements, wills and other contracts. The exact value of such interest and the time at which the rights to these interests become vested in the Conference is dependent upon circumstances over which the Conference has no control.

NOTE F - INTERFUND SECURITY LOAN

At December 31, 1974, securities which cost $146,582 were loaned by the Endowment Funds to Current Unrestricted Funds to provide financing for improvments to the Framingham Conference Center. The gain on sale of these securities, $1,235, has been deferred until such time as like securities are purchased and returned to the Endowment Funds. Had these securities been returned at December 31, 1974, the transaction would have resulted in a gain of $40,911. (See note D).

NOTE G - OCWM AND DIRECTED GIFTS HELD

At December 31, 1974, $155,276 of OCWM basic support due the National Office of the United Church of Christ and other directed gifts had not been remitted.

Massachusetts Conference of the United Church of Christ

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE H - BOARD DESIGNATED FUNDS

The gain realized ($18,449) from the sale of the Dorchester Central Church has been designated by the Board of Directors for special projects in the Dorchester Community and elsewhere.

NOTE I - ADJUSTMENT OF PREVIOUSLY REPORTED BALANCES

The Conference, to achieve a better matching of costs and revenue, has changed from the cash to the accrual method of accounting and has adopted the policy of capitalizing purchased equipment and depreciating buildings and equipment.

The cumulative effect of these accounting changes on prior years along with other adjustments increase (decrease) fund balances on January 1, 1974 as follows:

General Fund	
Change of accounting method from cash method to the accrual method	$ 39,697
Reclassification of interfund advances	(94,928)
Net adjustment to fund	$(55,231)
Land, Building and Equipment Fund	
Capitalization of equipment - net	$ 11,949
Depreciation	(132,068)
Effect of accounting changes	(120,119)
Reclassification of interfund advances	94,928
Net adjustment to fund	$(25,191)
Endowment Fund	
Transfer of trust funds to the trustee accounts (note K)	$(164,245)

The effect of the accounting changes in 1974 was as follows:

Accrual method of accounting	$(11,129)
Capitalization of equipment	4,242
Depreciation	(14,182)
Additional net charges to operations	$(21,064)

Massachusetts Conference of the United Church of Christ

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 1974

NOTE J - TRANSFERS

The cost of fixed assets purchased with unrestricted funds, $4,242, has been transferred to the Land, Building and Equipment Fund. A transfer from the Land, Building and Equipment Fund to the Current Unrestricted Funds - Undesignated has been made in the amount of $14,182 to offset depreciation charged against current year's operations. An additional transfer amounting to $20,277 for development cost expended prior to January 1, 1974 was made from the Land, Building and Equipment Fund to the General Fund (note D).

NOTE K - ENDOWMENT FUNDS

In 1972, the Congregational Church Union of Boston and Vicinity was merged with the Conference. At the time of the merger two funds, Columbus Avenue Fund and the Henry Bingham Fund were included with the Endowment Funds of the Conference. Subsequent information concerning these two funds indicates that they were not funds of the Conference but that the Conference is to act as trustee. An adjustment of $164,245 has been made to transfer the funds to the Trustee Accounts of the Conference.

We have examined the statements of net assets of the First, Second and Third Trusts of The Massachusetts Congregational Fund (a Massachusetts non-profit corporation) as of March 31, 1975, and the related statements of operations and changes in net assets for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements of net assets and statements of operations and changes in net assets present fairly the financial position of the First, Second and Third Trusts of The Massachusetts Congregational Fund at March 31, 1975, and the results of their operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

March 31, 1975

NOTE A - SECURITY VALUATION

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the fiscal year; securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at the last reported bid price, or the mean between the last reported bid and asked prices where these amounts have a wide disparity.

NOTE B - EQUALIZATION

The Fund follows the accounting practice known as equalization by which a portion of the proceeds from sales and costs of repurchases of capital shares equivalent, on a per-share basis, to the amount of distributable investment income on the date of the transaction is credited or charged to undistributed income. As a result, undistributed investment income per share is unaffected by sales or redemptions of fund shares.

The following financial pages have been prepared by the office of the Massachusetts Conference and have not been subject to audit.

BEQUESTS

Bequests to the Massachusetts Conference of the United Church of Christ are used to promote the work and interests of the Conference in the State. Bequests may be made permanent funds by the donors, and the Conference restricted to the use of the income only. Unrestricted legacies may be used for current work, special projects or invested so that the income may be used in current work or special projects. Another option is outlined in the Bylaws, Article XV, Section 3.

If, on the other hand, a testator specifies that the entire legacy is to be expended as current income and that there is to be no investment in whole or in part, these directions will be carefully observed.

Bequests to the Massachusetts Conference of the United Church of Christ pay no Massachusetts inheritance tax.

CITY MISSIONARY SOCIETY, BOSTON, INC., 1820

Chairman of Board of Directors - Mr. Edward R. Haddad
Clerk of the Corporation - Rev. Dennis Bailey
Clerk of the Board - Mrs. Elizabeth Belcher
President - Rev. Clyde H. Miller, Jr.
Treasurer - Mr. Russell H. Palmer
Staff: Full time - 15, Part time (including summer program) - 69

The City Missionary Society has been the social service arm of Congregational churches in Metropolitan Boston since 1816. It now has an important place in the life of the Metropolitan Boston Association, whose constitution refers to the Society as "a recognized instrumentality of the Metropolitan Boston Association".

In late 1973, to replace the emphasis on housing and education, a new program of Metropolitan Ministry was started and continues to be developed.

With several other agencies the Society was successful over the last three years in securing funding for a special recruitment and training program for minority persons to work in the counselling, program and administrative staff of summer camps. The interracial and intercultural composition of the participants in CMS camps is complemented now by a staff enriched by the same diversity.

Now as the Society moves well into 1975, most of what was begun over the previous five years not only survives, but thrives. The Mission: Advance! funds, which were known at the outset to be available for only three years, have ceased to flow. Much of what that support helped to initiate, however, continues. The community development thrust in Mattapan was continued by CMS for a year beyond the end of that program's support from Mission: Advance! and then discontinued in the belief that the work there had made a significant constructive impact on the life of that community. In Somerville, community development efforts have expanded beyond the original small resource office, and CMS has joined with a group of local organizations, service programs and a local church there to establish the Somerville Multiservice Center. Its future is promising.

With the addition of a health services capability and new emphasis on advocacy work, the Social Services Department is better serving its clients and having greater impact on their behalf among the systems and institutions that affect the lives of poor and troubled persons. These capabilities were instrumental in obtaining for CMS, two contracts with the Department of Elderly Affairs of the Commonwealth of Massachusetts for providing Home Care Services for the Elderly -- persons who otherwise might either be without care or would have to be institutionalized.

The Society's summer camping programs provide meaningful activity for children of all ages and for adult members of low-income families. Camps Andover-Waldron on Lake Winnisquam, in Meredith, N. H. are open to children 9 - 16 years of age. They provide opportunities for interracial and intercultural contacts in a Christian setting. Family Camps and weekend retreats for church groups are held under sponsorship of CMS at Farrington Memorial property in Lincoln, Mass.

City Missionary Society receives no income from United Way. Principal support comes from United Church of Christ churches in the Metropolitan Boston Association, from churches in neighboring associations, from non-UCC churches in the greater Boston area, from interested individuals and trust funds, and from endowment.

The Society's income in the fiscal year ending October 31, 1974, was $379,863 (this amount included legacies of $47,918). Churches contributed $58,878 and the operating deficit in 1974 was $55,596.

City Missionary Society was incorporated in 1820. Its corporate members are elected at the annual meeting, held in November each year. Every supporting congregation is entitled to nominate a representative to serve a three year term on the corporation.

THE CONGREGATIONAL LIBRARY
OF THE AMERICAN CONGREGATIONAL ASSOCIATION
(Proprietor of the Congregational House)
Room 207, 14 Beacon Street, Boston

The Congregational Library was founded in 1853 to gather and preserve books, pamphlets and manuscripts on Congregational history and to promote the general interests of Congregational churches. In addition to the historic collection on Congregationalism the library has important collections of Bibles, in a variety of languages and versions, hymnals, and histories of local churches and towns. New books, with the exception of fiction, are purchased every week in the fields of: preaching and pastoral work, philosophy and theology, Biblical commentary, church history, religious education, worship and devotion, missions and the ecumenical movement, church arts and architecture, denominations, sects, and world religions, social problems, and biography.

These resources, approximately 200,000 books and pamphlets, are available to ministers, lay preachers, church officers, church school teachers, students, and all interested in reading for enrichment of life. Books are mailed without charge to all parts of the United States. A letter or postcard giving author, title or the subject of books desired, will receive prompt attention. The Library is open for study and research Monday through Friday, 9-5. A copy of a leaflet, "The Congregational Library" and the *Bulletin* will be sent to those writing for further information.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;
2. The Associations of Churches, with the names of officers;
3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";
4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational and United Church of Christ churches in Massachusetts, the towns and cities being arranged alphabetically. **This is not a postal guide. It is a listing of the location of the church for the convenience of persons seeking to find the church. The first name in the list of churches is the name of the town or city in which the church is located; then follows the name of the church and directions for locating the church.**

Church members are reported as numbered January 1, 1975. Admissions and removals cover the year 1974. "Sunday School" includes total membership of officers, teachers, and scholars January 1, 1975, or when the school is in operation (if not at that date), covering "branch schools," "mission schools," and "home departments," so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational and United Church of Christ ministers may be found in the lists of the local associations which follow the tables.

Reference marks used throughout Schedules:

A — Figures are for U.C.C. members only
B — Church is part of a Larger Parish. Name of Larger Parish will be found under the name of the Larger Parish in Conference Summary
C — Charges. The number of each church included in a Charge will be found under the name of the Charge in Conference Summary
D — Dual standing, or affiliation, with another denomination
X — Not enrolled as United Church of Christ minister according to Conference Reports, but has Congregational Christian standing only
Y — Pastor serves more than one church. (See list of yoked churches in Conference Summary)
CM — Campus Ministry
LO — Limited Ordination
NK — Pastor's denomination is not known
PT — Part time
☐ — Church made no report and statistics are from previous Year Book, except actual figures reported from Conference Records for Our Mission for Others
* — Schedule I. Congregational Christian Churches which have not voted or which have voted to abstain from voting at the time of submitting the Conference Report
\# — Schedule II. Congregational Christian Churches which have voted not to be part of the U.C.C. at the time of submitting the Conference Report

Amount of "Local Expenses" includes all salaries, operating expenses and repairs for church, Sunday school, choir and parish.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational or United Church of Christ churches within the federated churches. Figures pertaining to Church School enrollment, contributions to home expenses are usually for all the churches grouped together in the federated church.

Note:

Pastoral changes between the time year book data was sent to the national office and the time of going to press for our Conference Year Book are not reflected in the following schedules, but are reflected in the association lists and the alphabetical lists.

MASSACHUSETTS CONGREGATIONAL FUND

First Trust — a balanced fund
Second Trust — an income fund
Third Trust — an equity fund

The Massachusetts Congregational Fund was established in 1945 as a means of bringing professional investment management to bear on the handling of the capital funds of the Massachusetts Conference and churches and organizations affiliated with it. In nearly three decades the Fund has provided continuity and the steady application of sound investment principles to the assets put in its care.

The three trusts named in the heading operate as mutual funds with no loading and a minimum of expense. The First National Bank of Boston provides the custody of the assets, the collection and distribution of income and investment service. Each trust has a different objective as indicated by their names so that separately or in combination almost any objective may be achieved. The net assets of the three trusts now total over $10 million market value.

The officers and members of the Fund's Board composed of business and financial executives well known in Massachusetts, ask consideration of the churches for the investment of additional funds in one or more of the trusts. They are open for new subscriptions (and redemptions) four times each year, on January 1, April 1, July 1, and October 1 upon prior application.

The performance of the Fund, whether judged by the past year's results, or over a long period of time, is such as to indicate sound and capable operation and to justify churches using the Fund's trusts with confidence as effective vehicles for investing their capital assets. For additional data on net assets and earnings of each trust, see pages 74 through 84 of this Year Book.
